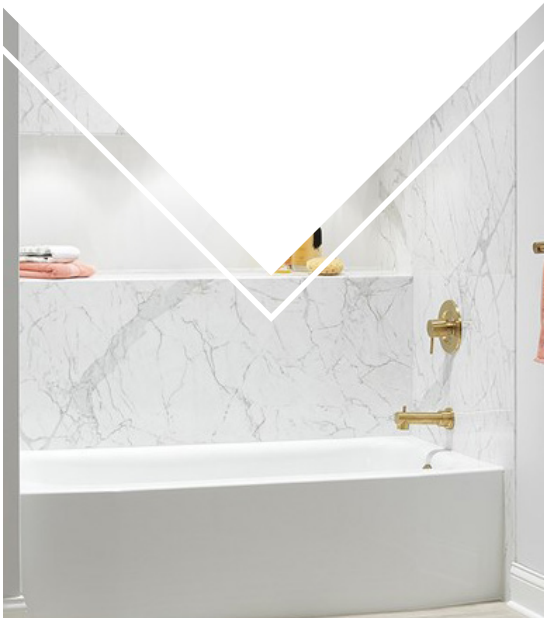
Your Dream Bath by

BATH R US



About Bath R Us

OUR PROMISE TO YOU

We guarantee we'll complete your bathroom renovation in a timely manner while bearing extraordinary results. We help you get more out of your remodel, which is why you can begin experiencing your new escape haven in one to three days. Your ideas become a reality when we transform your dated space into one you're sure to be proud of. We'll provide a lavish yet comfortable way of life by helping you achieve the bathroom you've always dreamed of, without the costly bill.

COMPANY

We pave the way for success by fostering company growth and prioritizing superior customer service. It all starts with our team of experts. We believe that strong company values are building blocks for the best customer experience.

Lifetime warranty

Factory-trained installation

$1 Million in liability insurance

Workers compensation

Multiple locations and growing

Over 50 years of experience

Our Process

DESIGN CONSULTATION

When partnering with Bath R Us, you take the guesswork out and leave the hard work to us. Local representatives will walk you through a FREE, no-obligation in-home consultation where we can identify your bathroom remodel goals. Through this, we'll gain a deeper understanding of your ideal bathroom and find the best solutions to fit within your home, family and lifestyle. We offer solutions in accessibility, replacement tubs and showers, accessories, fixtures, and even flooring and vanities. We consider your lifestyle and design preferences and build in customizations that fit you perfectly. The typical consultation lasts 60 to 90 minutes and leaves no questions unanswered. You'll know exactly what your dream bathroom is going to look like before we part ways that day.

INSTALLATION

Sit back, relax and watch as your dream bathroom becomes a reality. Rest assured knowing your new tub, shower, flooring, vanity and accessories will be installed by a skilled certified factory technician. Our expert installation process guarantees a water tight fit so you don't have to worry about leaks or damages with your new units that fit seamlessly into your space. With the majority of our installs taking 1 to 3 days, you can begin experiencing your updated bathroom in little to no time!

SUPPORT

Bath R Us cares about your new bathroom. With satisfaction guaranteed, you can be sure your new remodel not only meets, but exceeds your expectations. In the event your new units experience faulty wear and tear, we offer a lifetime warranty so you no longer have to live with cracks, chips, dents and discoloration in your bathroom again. When future remodel opportunities arise within your bathrooms, we can only hope you'll think of Bath R Us. It's what we do.

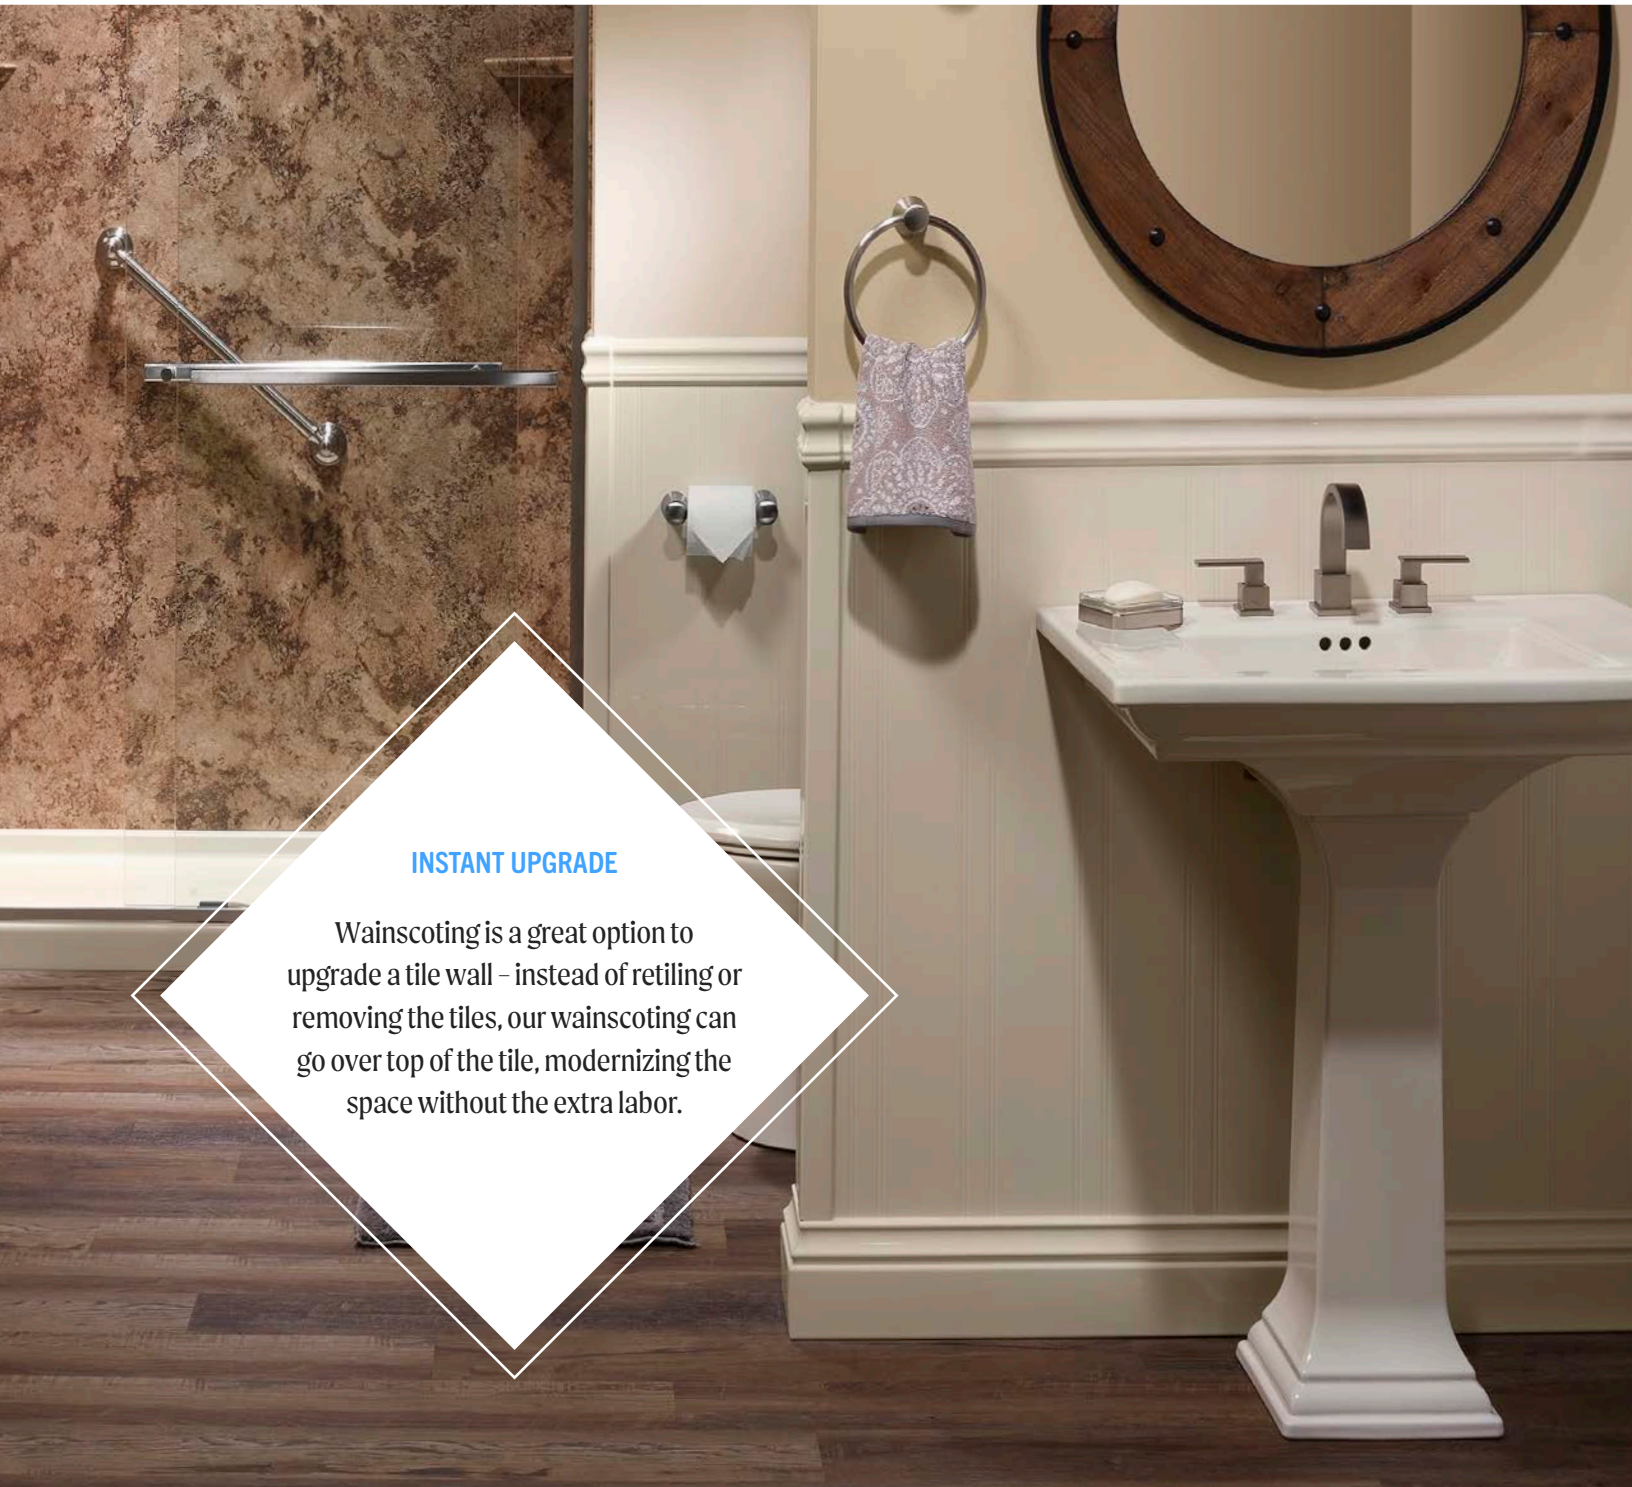
Wainscot

Our waterproof acrylic wainscoting is great for high-moisture areas and can instantly elevate the design of any bathroom space. The finishes match our shower wall surround finishes and colors perfectly and are equally low maintenance and easy to clean. Our trim details create a seamless, elegant design in any space.



INSTANT UPGRADE

Wainscoting is a great option to upgrade a tile wall – instead of retiling or removing the tiles, our wainscoting can go over top of the tile, modernizing the space without the extra labor.
